**ORDERING.** Please use our Order Form, quoting your File Reference (from your address label) and the full 6-figure Serial number for each item. We deal with the 'easiest' orders first and this standard format saves us time.

**POSTAGE.** We attempt to keep postal prices low. The postal cost starts at £1.50 and depends on the packet size. Packets worth up to **£20** are sent by 1st Class Post and over **£20** by Special Delivery or 'Signed-For' Post..

**PAYMENT** - If you trust us with a '**limited-value**' cheque i.e. with the amount left blank but endorsed at the bottom "Not more than £\_\_\_\_\_ " this will save you writing a second time with payment. You will then be sent a receipt with the delivery. So that we can buy more stock for the next list, would those of you who do not send payment with orders kindly pay by return of post (or return any unwanted items within 7 days of receipt).

Please make cheques payable to 'Ian G Kelly'. All prices are in £ Sterling.
